

## TEMSA VEHICLES WERE EXHIBITED AT UMA MOTORCOACH EXPO 2015

CH Bus Sales, Inc., the exclusive distributor of Temsa in the United States and Canada, exhibited TS 30, 35 and 45 at UMA Motorcoach Expo 2015 in New Orleans, Louisiana, January 18 – 22. The buses were widely acclaimed by participants. TS 30 is aimed to stand out in the small-size coach segment in the US market with its superior technology features and with the full-size coach comfort it offers. The world class TS 35 coach is a fully integral mid-sized coach that offers a luxurious and spacious interior for passengers and driver. The TS 35 is constructed from stainless steel for extra durability and safety. TS 45 offers TEMSA quality at an affordable price. The coach ensures the safety of the passengers by offering the highest safety features on every coach. The drive train is combined with superb European quality to create the high-quality driving experience.
